T

Basic EPS: Net Profit after tax as restated divided by weighted average number of Equity Shares outstanding at the end of the period/ year.

Diluted EPS: Net Profit after tax as restated divided by weighted average number of Equity Shares outstanding at the end of the period/year for diluted EPS.

Weighted average number of Equity Shares is the number of Equity Shares outstanding at the beginning of the year/period adjusted by the number of Equity Shares issued during the year/period multiplied by the time weighting factor. The time weighting factor is the number of days for which the specific shares are outstanding as a proportion of the total number of days during the year/period.

The above statement should be read with significant accounting policies and notes on Restated Financial Statements as appearing in the Financial Statements.

The EPS has been calculated in accordance with AS 20 Earnings Per Share (EPS) issued by Institute of Chartered Accountants of India.
